WORK EXPERIENCE

NetElixir

Visual Designer

Princeton, NJ

June 2025 – Current

- Wrote and created content for LinkedIn to market our AI product. Generated 215 organic clicks and 2,853 impressions in one month without paid promotion, driving targeted traffic to the product website.
- Achieved above-average click-through performance with about 72% of engagements as actionable clicks. Supported user acquisition goals through effective content design.
- Created Webflow landing pages and brand campaign pages in collaboration with the product manager. Applied UX best practices to improve usability, visual hierarchy, and conversion potential.
- Designed and prototyped a 3-page eCommerce experience (homepage, product page, checkout) in Figma as the lead designer on a small team, shipping the distribution client's first live online storefront.

Mitzvah Circle

Social Media Intern

Doylestown, PA

Jan – May 2025

- Improved brand engagement and community awareness by designing graphics, animations, and videos in collaboration with leadership using Canva.
- Increased outreach effectiveness for nonprofit programs, as measured by distribution to 200+ partner organizations, by creating impact infographics that simplified program messaging.
- Supported fundraising efforts by designing branded slide decks that visualized the organization's mission and metrics. Which lead to successful donor and grant presentations.

The Sanctuary (Suzuki Medical Associates)

Digital Marketing Intern

Pennington, NJ

Oct 2023 – Jan 2024

- Enhanced local engagement and visibility, as measured by increased interaction on spa service posts. By designing and scheduling content using Adobe tools.
- Contributed to strategic marketing by pitching original post ideas and optimizing based on audience behavior.
- Guided future content planning which benefited with audience data and performance analytics. by interpreting insights to inform platform-specific strategies.
